ORDRE DU JOUR

Deux points étaient inscrits à l'ordre du jour, à savoir :

1. validation de la liste des Experts et cadre des travaux ;
2. harmonisation et consolidation des statistiques minières 2014 en vue de leur publication.

1. Validation de la liste des Experts et cadre des travaux

Après présentation et vérification des lettres mandatant les Experts présents, le Président de séance leur a souhaité la bienvenue et circonscrit le cadre des travaux les réunissant.

Il a relevé l'importance que revêtent les statistiques minières et souligné la nécessité de leur examen, consolidation et publication en vue de répondre aux préoccupations du Gouvernement exprimées par Son Excellence Monsieur le Ministre des Mines dans sa lettre N°CAB.MIN/MINES/01/0398/2015 du 23 mars 2015 relative à la mise en place d'une Commission Interministérielle d'harmonisation des statistiques minières.

2. Harmonisation et consolidation des statistiques minières 2014 en vue de leur publication

Sur proposition du Président, Monsieur Etienne LUFANKA KIDJANA, Chef de Département Banque de Données à la CTCPM, a présenté les statistiques minières de l'exercice 2014, consolidées par les Services du Ministère des Mines réunis au sein de la Commission ad hoc d'harmonisation.

L'OCC, la DGI, la DGDA, la DGRAD et la BCC ont aussi été conviés à présenter leurs statistiques.

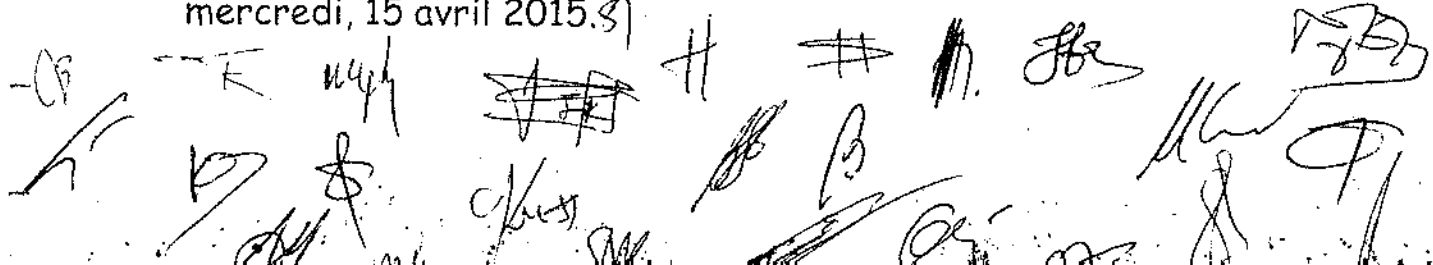

Après examen et débat, il a été constaté ce qui suit :

- les statistiques présentées par la BCC concordent avec celles du Ministère des Mines ;
- de manière générale, le format des statistiques présentées par l'OCC et les régies financières rend difficile la comparaison et/ou l'harmonisation avec les statistiques apprêtées par le Ministère des Mines.

Néanmoins, les Experts ont adopté les statistiques minières dont copie en annexe tout en recommandant que les harmonisations nécessaires de format et de méthodologie soient faites pour les prochaines rencontres.

La prochaine réunion est programmée dans le courant de la première semaine du mois de mai, en vue d'examiner les statistiques du premier trimestre 2015.

En foi de quoi, le présent procès-verbal a été dressé à Kinshasa, le mercredi, 15 avril 2015. S)

A collection of approximately 15 handwritten signatures and initials in black ink, scattered across the bottom of the page. Some are clearly legible, while others are more stylized or scribbled.
